The most important topics discussed in the meeting:

1. SSE Riga Graduation banquet and party
 2. SA website progress
 3. SA sponsors
 4. Yearbook 2009
-
1. It was agreed that SA should work on making SSE Riga graduation especial and memorable despite the costs. A live band should play during the party; there should also be a photo corner, activities in the yard, and 3 professional bartenders at one larger bar. Also, for the first time the Hangover Party will be organized on Sunday.
 2. SA Website is being created by Media Park. The only problem for SA is to encourage the agency to do it faster.
 3. SA got a new sponsor - Line Data Services. Thanks to Business Committee, the SA budget will be improved by funds of the new sponsor.
