

Meeting Minutes 03.09.2014

Budget

As the contract with E&Y expired there were 2 meetings between representatives of the company and of SA. New proposal includes scholarships for SSE Riga interns at E&Y, that will be paid from SA budget. There will be several options for E&Y to sponsor SA:

- 5000 EUR includes partnership with DoO;
- 7000 EUR includes partnership with DoO and SA;
- 9500 EUR includes partnership with DoO and SA and networking events;
- 11500 EUR includes partnership with DoO and SA, networking events and the right to become general partner.

In the result of negotiations E&Y have chosen the second option, but it is not the final choice.

The budget of SA now depends on whether JPT and PT return their debts and on how much money E&Y will give.

There was a meeting between administration of SSE Riga and Board of JPT, where the issue of JPT's debt to SA was discussed. As for now it is 3500 EUR.

There was a discussion on who will live where and which activities will take place where.

Oskars (the Basketball captain) requested a coach. SA will need to pay for the coach.

Also football, basketball and volleyball referees will be needed. Basketball and football referees will cost ~100 EUR for both.
